SUMMARY

Passionate and dedicated chemist with a strong foundation in theoretical and practical chemistry. Participated in prestigious international chemistry olympiads during high school, demonstrating problem-solving and time management skills. Participated in student training sessions for chemistry olympiads organized by TÜBİTAK during university. Proficient in various laboratory techniques, with hands-on experience in chemical analysis, synthesis, and instrumentation

WORK EXPERIENCE

Teaching Assistant & Tutor | 2022-2025

TÜBİTAK BİDEB Kimya Olimpiyatları Hazırlık Kampı

- Collaborated with professors on writing and solving advanced international chemistry olympiad problems during the quaterly Olympiad Preparation Camp
- Delivered lectures on specific topics in Inorganic Chemistry and problem solving sessions in the Camp

Academic Supervisor | 2024

32. TÜBİTAK BİLİM OLİMPİYATLARI

- Assisted in organizing and supervising 2. Stage National Chemistry Olympiad held by Ministry of Science, Industry and Technology and TÜBİTAK

EDUCATION

Bilkent University | 2022-2026

Bachelor of Science in Chemistry

- Relevant Coursework: Advanced Organic Chemistry, Inorganic Chemistry, Physical Chemistry, Analytical Chemistry, Statistical Thermodynamics, Material Science
- Relevant Labwork: FTIR, 1H and 13C NMR, Mass Spectrometer, Gas Chromatography, HPLC, Organic and Inorganic Synthetic Techniques, TLC, Liquid-Liquid Extraction

AWARDS & DIPLOMAS

Silver Medal

53rd International Chemistry Olympiad , 2021

Silver Medal

55th International Mendeleev Chemistry Olympiad, 2021

Silver Medal

54th International Mendeleev Chemistry Olympiad, 2020

Bronze Medal

51st International Chemistry Olympiad, 2019

Bronze Medal

53rd International Mendeleev Chemistry Olympiad , 2019

Presidential Certificate and Gift

Alumnus of the 2020-2021 Academic Year
